## **ACADEMIC QUALIFICATION**

2019 to date: Student of Bachelor of dental surgery (Kamuzu University of Health sciences)

2017: The Malawi School Certificate of Education, MSCE (Ndirande Hill Secondary School)

## **WORK EXPERIENCE**

2018-2029: Science Teacher

Omniscient Private Secondary school

### **Key duties and responsibilities**

Physics and chemistry teacher for class forms 1 and 2

Mathematics and biology teacher for class forms 3 and 4

### **notable achievements**

Helped three quarter of form 4 students to score remarkable grades

In their MSCE.

2022-2022 (one year): President

Kamuzu University of Health Sciences Dental Surgery Student Association

### **Key duties and responsibilities**

- ✓ Representing the dental student views and requests to the dental department and the entire administration at KUHES.
- ✓ I was the executive organizer of student activities such as foundation year student welcoming event, fun fair, hospital visits among other activities.
- ✓ I was presenting views and directives from the academic lead to the dental student community.

### **Notable achievements**

- I participated in the bachelor of dental surgery (BDS) curriculum review where I presented items to be included and items to be checked out of the curriculum.
- I assisted needy BDS students secure bursaries from different well-wishers and their academic lives were improved.

- Organized a big fundraising activity which aimed at raising funds for needy students and the outcome was mind blowing; a good number of needy students were helped.

2023-2023 (one year): student hostel representative

Kamuzu university of health sciences

### **Key duties and responsibilities**

- ✓ I was responsible for ensuring that the student hostel is always clean and neat; this was done by ensuring that cleaners are cleaning the rooms, bathrooms and toilets at all times.
- ✓ Reporting all problems and shortages being faced at the hostel to the university hostel supervisor and making follow ups till all problems are fixed
- ✓ Arranging for hospital transportation whenever a student is sick
- ✓ Reporting all cases of insecurity to the university's security officer.

### **Community and Leadership responsibilities**

- Volunteers as a career guidance and academic excellence speaker for various primary and secondary schools in my community, hence contributing to the national literacy.
- Runs small oral health awareness programs.
